

TeachTown enCORE Step Five to Get Started

How to Teach with the Teacher Dashboard

- Select Teacher Session tab
- Select the student on the right, when they move to the left they are ready to work with you.
- Select Begin Session
- Teach your student the lesson on the screen
 - o On the top left-hand side, you will see the name of the student, along with the lesson that they will be working on.
 - Remember the stars are to let you know how many pages are in the lesson.
 - o On the bottom left-hand side, you can take data.
 - Remember + means the student got it right
 - Remember - means the student got it wrong
 - Remember P means the student was provided prompts BEFORE they could respond
 - o On the bottom right side are audio and CC options.
 - o Save your session by selecting the three dots on the top right side of the screen
